

BM Packaging Ltd

Environmental Policy

The Directors of BM Packaging Ltd recognise the social and economic importance of protecting the environment.

To support the stated commitment, it is management policy to integrate environmental considerations into the business decision making process and considers that climate change is a relevant issue to the company and it's context.

In order to maintain and sustain the Company's Environmental Policy, it is necessary that every reasonably practicable means be used to: -

- Comply with applicable legal requirements and with other requirements to which BM Packaging Ltd subscribes which relate to its environmental aspects.
- Achieve good environmental standards in all activities including the reduction, re-use, recycling and disposal of waste.
- The business is committed to the protection of the environment including the prevention of pollution and the continual improvement of environmental performance objectives and targets to enhance environmental performance.
- Make economic use of energy, water and other materials to minimise waste in all aspects of the business function.
- Assess regularly the environmental impact resulting from business operations and to remain fully informed of recognised best practices.
- Communicate this policy to all interested parties including company customers, suppliers, employees and encourage their active involvement in environmental issues.

The Managing Director has the overall and final responsibility for the Environmental Policy and is responsible for the co-ordination, implementation and monitoring of the policy throughout the organisation the companies Environmental Management system and Objectives as the framework for maintaining and reviewing the policy.

Management throughout the organisation are responsible for the communication of the policy and promoting active participation at all levels, whilst ensuring that activities under their control conform to the legal requirements and that good environmental standards are achieved and maintained.

Employees have the responsibility to actively support the company to ensure the effective implementation and maintenance of the policy.

This policy is available to all interested parties upon request.
